

02 Series

Electrified Powerbolts

IPIXA Security 02 Series Electrified Powerbolts represents reliable and cost effective Access Control solution

02 series offers electrified locks which can withstand 4500 lbs of linear positive impact. The locks are equipped with sensors to remotely monitor the status of the door. These high security locks are suitable for framed glass doors, wooden doors, metal doors & fire doors. The minimum maintenance feature & 3 years limited warranty on all models enables this range to be ideal for commercial applications.

AEL0205

Product Specifications

Type	: Fail Secure - Power to Open
Holding Force	: 2000 lbs
Operating Voltage	: 12 VDC
Certification	: CE, RoHS
Current Draw	: Start Current 960 mA Standby Current 140 mA
Door Status Monitoring	: Inbuilt Door Status Monitoring
Operating Temperature	: - 10°C - + 55°C
Timer	: Time Delay Adjustments 0, 3, 6 Seconds : Auto-relock if no Action within 5 secs
Weigth	: 0.9 kg
Dimension	: Lock Body: 200 (L) * 28 (W) * 39 (H) mm Bolt: 15 mm DIA , Stainless Steel

Cycle Tested
500,000
