

02 Series

Electromagnetic Locking Range

IPIX A Security 02 Series Electromagnetic Locking Range represents reliable and cost effective Access Control solution

02 series offers locks with holding capacity of 600 lbs & 1200 lbs. The locks are equipped with sensors to remotely monitor the status of the door. All models are conveniently packaged with armature plate & fixing screws for both Metal & Wooden doors. The minimum maintenance feature & 3 years limited warranty on all models enables this range to be ideal for commercial applications.

AEL0222

Product Specifications
